Bid #16-252-DT

Debby Thompson
DuPage County Procurement Services
421 N. County Farm Road
Wheaton, IL 60187

Ms. Thompson,

Regarding Bid #16-252-DT, Asbestos Abatement for 136 & 420 N. County Farm Road, it was my understanding that Base Bid #2-420 N. County Farm Road (2nd Shift) was only for any additional costs or premium time incurred due to the work being completed during 2nd shift. ***There will be no additional costs for 2nd shift work, so therefore the price would be the same as for Base Bid #2-420 N. County Farm Road (the section above).***

I hope this letter serves as clarification for my bid pricing. Please contact me with any additional questions.

Sincerely,
