7.  ADMINISTRATIVE UPDATE
Laura Flamion, Operations Manager, thanked all the Committee and other Board Members that came out to the ribbon cutting ceremony last Tuesday. She also stated that the shelter did 11 spay/neuters in the new veterinary vehicle last Thursday. The vehicle is also garnering media attention. There is an interview with Naperville CCTV scheduled for later today and another the week of July 2nd at ABC Studios downtown. Ms. Flamion also let the Committee know that our summer camp programs have begun. Amongst other topics, the current campers are learning about surgery and pet CPR this week. She went on to say that the shelter is taking an advertisement out in the Wheaton Resident Guide on what to do if you lose or find a pet. Also, the interviews for the office position began this week and our second part-time Seasonal Veterinary Technician starts next week. Finally, Ms. Flamion informed the Members that five responses were received for the shelter software RFP and will be reviewed this week. Member Wiley asked how we are measuring the success of our new programs and advertising. Ms. Flamion said that there isn't a good system currently in place however the new software will help us track changes. Joan Olson, County Communications Manager, said that NBC provided metrics after the Clear the Shelters event last year. That data can be to compare after the this year's event.

9.  NEW BUSINESS
Member Eckhoff let the other Committee Members know that today is Assistant States Attorney, Brian Gorka's last day. The Committee thanked Mr. Gorka for his service over the years.

A. Discussion -- Fee Review
   Discussion Only - No Vote Needed

Ms. Flamion presented possible fee schedule changes to the shelter services. These ordinance changes were based on comparisons with collar Counties along with the internal cost of the services &/or staff. Changes were proposed to the following sections: 2, 4, 6, 9, 10, 11, and 13. A new section 14 was added to the ordinance regarding the authority to waive or reduce fees. The final fee schedule will be voted on at the next Animal Services Committee Meeting on July 10th and, per approval, the subsequent County Board Meeting on July 17th. Member Puchalski asked staff to compare FedEx overnight shipping fees to the Post Office fees. Member Wiley asked for a summary of how the fees compare to the collar counties. Ms. Flamion said she will look into the shipping fees and send the summary to Member Wiley.
10. ADJOURNMENT

Chairman Krajewski adjourned the meeting at 10:55 AM.
1. CALL TO ORDER

10:30 AM meeting was called to order by Chairman Brian J Krajewski at 10:30 AM.

2. ROLL CALL

PRESENT: Anderson, Eckhoff, Krajewski, Noonan, Puchalski, Wiley
ABSENT:

3. PUBLIC COMMENT

Citizen Sheila Rutledge spoke about an experience last month when her elderly deaf dog got out of the house. The dog was picked up by West Chicago Police Department and brought to DuPage County Animal Services (DCAS). Due to a miscommunication between the PD and Ms. Rutledge, she was unaware that the dog was brought here until the following day. Ms. Rutledge wanted to let the Committee know that it would be beneficial if DCAS posted their stray animals online. If that would have occurred in her case, she and her dog would have been reunited sooner. Chairman Krajewski and Laura Flamion, Operations Manager, stated that the shelter is currently in an RFP process for a new database that will automatically post stray animals to the website.

4. CHAIRMAN'S REMARKS

Chairman Krajewski piggy-backed off of Public Comment stating that some of the PDs also post their strays if they have a holding facility. Member Puchalski asked if all the PDs hold their own animals for the same amount of time. Ms. Flamion stated that every Department is different. Some do not hold at all and bring strays directly to the shelter. Chairman Krajewski also added that Kane County uses one of the software programs included in our bid. Because of that system automatically adding stray animals to their website, this weekend a special needs dog was reunited with their family quickly.

AYES: Anderson, Eckhoff, Krajewski, Noonan, Puchalski, Wiley
B. Change Order -- AMENDMENT to County Contract #3228-0001 SERV issued to MP2 Energy NE, for electric utility supply and management services for the County Campus, Stormwater and Public Works, for Facilities Management, to decrease Facilities Management by $1,705,948.81, Animal Services by $8,517.66, the Care Center by $428,130.83, the Division of Transportation by $70,837.54, ETSB by $2,874.52, the Health Department by $138,690.64 and DU-COMM by $100,000.00, for a total decrease amount of $2,455,000.00, taking the original contract amount of $12,626,410.00, and resulting in an amended contract total amount not to exceed $10,171,410.00, a decrease of -19.44%.

RESULT: APPROVED [UNANIMOUS]
MOVER: Janice Anderson, District 5
SECONDER: Sean T Noonan, District 2
AYES: Anderson, Eckhoff, Krajewski, Noonan, Puchalski, Wiley

8. ADMINISTRATIVE UPDATE
Ms. Flamion stated that the shelter has seen a steep increase in intakes. Dr. Barbara Hanek, Administrator Veterinarian, stated that we currently have 315 animals in the shelter. Year to date there have been 852 intakes.

Dr. Hanek let the Committee know that the veterinary vehicle will be delivered tomorrow. Dr. Hanek reminded the committee that the vehicle ribbon cutting ceremony is next Tuesday and all are invited. Dr. Hanek was the trainer recently for CERT FEMA 1 and 2. The shelter also helped Aurora Animal Care & Control when they were faced with a mandatory evacuation due to a train derailment.

A. Discussion -- ACO On-Call Compensation
Discussion Only - No Vote Needed
Ms. Flamion worked with Tom Cuculich, Chief of Staff, and Margaret Ewing to update Policy 4.2 - Special Compensation, Section D - On-Call Pay (see page 20 in packet). These changes were determined based on comparisons to collar Counties (see page 17 in packet). Member Wiley asked if this will have an impact on the budget. Ms. Flamion and Dr. Hanek stated that due to service changes in 2017 and more recently in 2018 which eliminated many unnecessary calls, there will be no budget impact. The changes to the Policy are County wide.

9. OLD BUSINESS

10. NEW BUSINESS
A. Budget Discussion
Discussion Only - No Vote Needed
Chairman Krajewski kicked off the 2019 budget discussions by reviewing the final 2017 numbers. The dollars in the enterprise fund includes the restricted Pet Population Funds. We have learned that DCAS can reimburse themselves for the spay/neuter of shelter animals going back to 2007. Staff are compiling accurate numbers regarding surgeries and reimbursement rates. On the 2018 budget, $400,000.00 was allocated for Phase 2 architect services. The current spend for 2018 should be around $50,000.00. The Phase 2 project is estimated to cost 12-13 million. A captain campaign feasibility study would be very beneficial to determine how attainable it will be to raise those funds and include a high level marketing plan. Staff are currently working on the RFP for this service and would like to allocate the unused architect services dollars for the study. Member Anderson also brought up the importance of including the increase in utility and upkeep of a new facility. Ms. Flamion stated that they are working on those numbers.

11. ADJOURNMENT
Chairman Krajewski adjourned the meeting at 11:00 AM.

Low Income Spay/Neuter Program

DuPage County Animal Care and Control works with local veterinarians to help families participating in the food stamp program throughout Illinois sterilize their pets. Participation in the program is voluntary. Any DuPage County veterinarian who chooses to participate in the program must abide by the program standards, and be licensed in good standing to practice veterinary medicine in Illinois. The reimbursements will be updated to reflect the changes that we are requesting.

DuPage County Animal Care and Control
Low Income Spay / Neuter Program

**Qualifying Residents:**
The DuPage County Animal Care and Control Low Income Spay / Neuter Program is specifically designed to help DuPage County families. State mandated fees have been collected to create a Pet Population Control Fund. The state mandated criteria was designed to help families participating in the food stamp program throughout Illinois sterilize their pets. DCACC has chosen to organize this effort *locally* in partnership with area Veterinarians to minimize the number of unwanted litters of puppies and kittens in the community.

**DCACC Involvement:**
DCACC staff will answer all questions regarding the program. DCACC staff will match qualified clients / patients with area veterinarians. DCACC will provide a voucher to qualified clients to bring with them the day of the procedure to the participating veterinarian that will perform the surgery and pre-surgical work. The voucher will be valid for 6 months from the day of their program approval visit at DCACC and must be presented the day of the procedure. Duplicate vouchers will not be issued.

**Veterinarian Participation:**
Participation in the program by DuPage County veterinarians is voluntary. The program will be in place as long as funding is available. Any DuPage County veterinarian who chooses to participate in the program must abide by the program standards, and be licensed in good standing to practice veterinary medicine in Illinois. The program standards are in place to ensure that uniform and high quality care is offered to patients. Veterinarians / Hospital Staff will approve all documentation provided by DCACC, to ensure client eligibility and provide pre-surgical requirements at the time of the spay / neuter appointment. Participating veterinarians will provide all of the vaccination, microchip and fecal exam requirements while funding is available. Veterinarians will perform pre-surgical blood-work including heartworm test, and FeLV/FIV test. The client will complete all hospital consent forms and typical paperwork the day of the procedure. The veterinarian may cancel or postpone the procedure due to any reason deemed necessary according to their professional judgment.

**Animal Health:**
Included in the program is a pre-surgical evaluation, updating of the vaccines and implantation of a microchip by the participating veterinarian. Any animal participating in the program for spay / neuter must be free of any contagious disease, and generally in good health the day of the scheduled procedure. As stated above, the veterinarian may postpone or cancel the spay / neuter procedure should an animal be deemed in poor health or without proper pre-surgical care as outlined in the program standards, or for any other reason deemed necessary according to their professional judgment.
Program Funding:
Funding for the program is from new revenue collected through animal control agencies across the state, starting in January 2006 according to Public Act 94-0639, the Illinois Public Health and Safety Animal Population Control Act (aka, “Anna’s Law”), which established a state wide low income spay / neuter program. Funds may be either used in the county of origin or made available for the statewide program. All funds raised in DuPage County, according to Anna’s Law, will be available for use in DuPage County. The program will be limited by the available funding on an annual basis, and available on a first come basis.

Procedure:
Step One: Resident must qualify for program through proof of residency and proof of currently participating in the food stamp program and receive voucher from DCACC.

Step Two: Appointment made at participating veterinary hospital.

Step Three: Pre-surgical evaluation, updated vaccines, microchip and spay / neuter Surgery.

Step Four: Veterinarian receives reimbursement according to established payment schedule. Rabies tags will be issued by DuPage County Animal Control.

Canine Pre-Surgical Requirements

All immunizations must be up to date at the time of the spay/neuter. They can be done the day of the procedure. Reimbursement for immunization services will not be honored unless the spay/neuter surgery is completed. If the animal is already current on an immunization prior to arriving at the vet partner for surgery, those details must be noted on the invoice.

Contract Term: 5/9/2018 - 11/30/2018
Contract Total: $6,500.00

Assigned: Animal Care & Committee: Control

Description of Procurement/Scope of Work/Background:
We incurred costs ranging from $250.00 - $400.00 each to offer the service of no-cost spay/neuter to those DuPage County residents with a Link card. Per the State of IL, we have a restricted Pet Population Fund (PPF) that can only be used for this service. We partner with multiple veterinary hospitals/clinics to provide the vaccinations and surgery. When a citizen is given a voucher for a no-cost spay/neuter, there is a list of the partner veterinarians they can choose from that will perform the surgery. Bensenville Animal Clinic is one of our PPF partner veterinarians. There is no way for us to predetermine the volume any one veterinarian will have in a given year. The requested Contract Total is based on the YTD spend in Bensenville Animal Clinic.

Reason for Procurement:
To reimburse Bensenville Animal Clinic for their services as a PPF partner.

The DuPage County Procurement Ordinance requires the following written disclosures prior to award:

1. Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the county resulting in an aggregate amount at or in excess of $25,000, shall provide to Procurement Services Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor within the current and previous calendar year to any incumbent county board member, county board chairman, or countywide elected official whose office the contract to be awarded will benefit. The contractor, union or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, “contractor or vendor” includes officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future county contracts.

Continuing disclosure is required, and I agree to update this disclosure form as follows:
- If information changes, within five (5) days of change, or prior to county action, whichever is sooner
- 30 days prior to the optional renewal of any contract
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments
