8. ACTION ITEMS

A. Third Touch

Member Baarman said that Third Touch was approximately halfway completed on the fire side. He is meeting with the police side to discuss any changes they would like to make to the templates and will then continue. They are working to simplify the radios during third touch. They also discussed the backup system for the police.

Member Baarman asked for direction regarding the general renaming of some encrypted talk groups as was requested by the police agencies. This may be in anticipation of the shared services model. Director Zerwin suggested they submit a draft for the PAC to review.
