11. OLD BUSINESS

A. Discussion - Policy to Govern Memorial Dedications

The Committee will discuss this at a later date after further information has been provided.

12. NEW BUSINESS

A. Emergency Procurement - Cummins Sales & Service

The tanker truck which is used for daily hauling of bio-solids from Knollwood WWTP to the Woodridge Greene Valley WWTP was brought to Cummins Sales & Service for fuel
filter emissions repairs. During the inspection it was determined it would require additional repairs to the exhaust system, totaling $7,800.77. If the truck is down for more than a couple weeks we would need to rent a truck. Rental for the tanker truck is $1100 - $1250 per week. It was determined that this would constitute an emergency procurement. Committee concurred with staff's decision and Chairman Healy approved the associated invoice.
