Commissioner Terrill asked that Interim Executive Director Fahnestock provide an update on the scope of work with a technology vendor to perform contract work in preparation for the upcoming election. After discussion, the Board gave consensus that Interim Executive Director Fahnestock should move forward with developing a contract with SWC Technology Partners to perform necessary background work with our servers and software to prepare for the upcoming election.

--oo000oo--
In addition to the Interim Executive Director’s Report, Interim Executive Director Fahnestock provided updates to the Board as follows:

All commission staff has completed the Cyber Security Training Course provided by the County IT Department.

Staff has completed the Office of Homeland Security and Emergency Management Emergency Response Guide Refresher Course as well.

We are in the process of recruiting Judges of Election. We put out a press release, and as a result we were able to recruit an additional 110 new Judges.

This week we will begin our election training course. We have a morning and an afternoon class scheduled for Friday, and another class scheduled for Saturday. A lot of judges have signed up for those classes.

The Judges Manual has been completed and printed, so when the Judges come for their training class they can leave with their own manual, which they can use to study or as a reference.

So far, we have 1325 Judges that have signed up for classes, but we’re looking for more. Our goal is 4000 Judges or more.

The Judges Manual is also posted on the website.

We have been updating the website to make it easier to use and find information.

--oo00oo--

Legal Counsel gave an overview of the Judge of Election Certification process.

Legal Counsel also reported that Governor Rauner has vetoed the bill to remove Illinois from the Interstate Voter Registration Cross Check Program, therefore Illinois remains in this program.
As a matter of new business, Commissioner Boske moved, seconded by Commissioner Lowe, to approve the Resolution 2018-3 – A Resolution of The Dupage Election Commission Approving a Report of The Selection of Election Judges. On roll call, Commissioners Boske, Lowe and Terrill voted "aye". Motion carried.

The DuPage County Election Commission has asked the Board to consider increasing the Judge of Election compensation rate. After discussion, the Board encouraged Interim Executive Director Fahnestock to continue to work with the County Finance Department to see if money can be allocated towards an increase, and to see when and if the funding from the Federal Grant through the State will come through. A Motion was made and seconded to table this issue to the next meeting. Upon roll call, the motion carried. It was requested that the Minutes reflect that the Commission is in support of a rate increase if the finances are available.

Commissioner Boske moved, seconded by Commissioner Lowe, to change the September 5, 2018 Board Meeting from 4:00 p.m. to 3:00 p.m. and to cancel the September 26, 2018 Board Meeting. Commissioners Boske, Lowe and Terrill voted “aye”. Motion carried.

Commissioner Terrill entertained a motion, moved by Commissioner Boske, seconded by Commissioner Lowe, to adjourn. The next Board meeting will be on Wednesday, September 5, 2018, at 3:00 p.m. in Room 3-500A. Commissioners Boske, Lowe and Terrill voted "aye". Motion carried.
